Sai Ram and congratulations to the entire school community at Sri Sathya Sai Vidya Vihar, Macherla, Andhra Pradesh. It gives me great joy to celebrate the 10 years of our mutual association. I fondly remember my visit to the school and the warmth with which its founder, the respected late Sri Lakshmi Prasad garu and his wife welcomed us. In his footsteps, the current leadership of the school is also embracing SSSVV to manifest the school's best potential.

With the Bhagawan's grace flowing through SSS Vidya Vahini, the SSS Central Trust has respectfully and wholeheartedly supported the school for the past 10 years.

For example, Vidya Vahini has generously delivered continuous teacher training sessions online as well as in-person through many frequent visits to the location. This has enabled and empowered the teacher to fine tune their teaching skills and the delivery of Vidya Vahini content in the classroom. Ready-to-use digital content has been provided through the learning management system to every teacher in the school, and these include all the master lesson plans with multimedia aids. With Bhagawan's grace, the children at Macherla school are receiving such a high-end, high quality education and that too at no cost to their parents.

We have also successfully implemented the English language program called Phone-Your-Friend (PYF), and a large number of teachers are now fluent in their communicative English. Every teacher who speaks grammatically correct and fluent English with a neutral accent benefits the language learning of every child in his or her class. The Sameep & Spandana packages have been provided regularly for activity based learning and to bring out the best creativity in the children. .

Bhagawan has also provided Smart TV's for your classrooms, Lenovo tablets for the teachers and other digital equipment in the form of computers and projectors to ensure that our Macherla school becomes a successful digital school, even as we continue to support Macherla school online with our continuous professional development sessions (CPD).

This is Bhagawan's way of acknowledging the purity of intention with which the Macherla school was started and continues to run. There are many other forms of support that the Central Trust is providing to the school and we look forward to another healthy decade ahead of our close association. With all our best wishes from the entire team at Sri Sathya Sai Vidya Vahini.

As a part of this LHS program our school has been provided with world class Digital content and Projectors / Smart TVs. These training sessions aided by digitalized class rooms aim to enhance the skills of our faculty, fostering an environment of continuous learning and growth as we strive to become NEP 2020 compliant School. We Thank Team SSS Vidya Vahini for providing us with this wonderful opportunity.

At infrastructure level, construction of compound wall has been completed; Solar Power System and Cc TV System have been installed. We Thank the individual Donors and Abhaya Foundation respectively, for their valuable contributions to enhance these infrastructure facilities.

Joint State Coordinator - AP
Sri Sathya Sai Vidya Vahini

Bhagwan Sri Sathya Sai Baba launched the Sri Sathya Sai Vidya Vahini program on 23rd November, 2010 to meet the growing need for holistic education for all.

This program aims to create a generation of well-qualified young men and women, with a burning desire to serve the motherland, a strong sense of responsible citizenship, integrity, broadmindedness and empathy for their brethren, apart from a spiritual outlook.

The Sri Sathya Sai Vidya Vahini program is a comprehensive framework that delivers school curriculum digitally, as per the National Education Policy 2020. It transforms the process of learning into an inspiring, insightful, enjoyable and participative experience. It offers a balance of academic excellence and character education by integrating human values within the secular framework. It is inclusive and involves activity-based learning. It is primarily aimed at empowering teachers by providing them with world-class content in the form of master lesson plans compiled through a process of global collaboration by experts. Apart from content, the program also offers training, teaching aids, an English language proficiency program for teachers and much more. Program offerings cover the four domains of classroom, corridor, campus and community.

The mandate of the program is to empower teachers, especially rural teachers so that no child is left behind in India's growth story. By providing teachers free access to our Learning Management System (LMS), a rich repository of digital teaching aids in the form of ready-to-use content (master lesson plans), training, teaching-aids, English language proficiency and many more resources.

The literacy and numeracy gap between rural and urban India is continuing to grow. Sri Sathya Sai Vidya Vahini aims to bridge the same by extending the support to schools in rural areas. Sopaan is a bilingual learning program for children to build solid foundation while in early stages of learning. This program is introduced to the schools in building the foundation for reading, learning, nurturing 21st century skills and strengthening core values.

The guiding principle of SSSVV is to make human-values-infused secular information available freely to teachers and their pupils. All components of the SSSVV offerings are embedded with values as per the National Curriculum Framework.

అనగనగా ఒక ఊరు. ఆ ఊరిలో ఒక కుటుంబం. ఆ కుటుంబంలో అమ్మ, నాన్న మరియు ఒక పిల్లవాడు ఉండేవారు. ఆ పిల్లవాని పేరు భాను. ఒకసారి భానుకి అమ్మ, నాన్న పుట్టినరోజు కానుకగా ఒక గుర్రం బొమ్మను ఇచ్చారు. ఆ గుర్రం బొమ్మ అంటే భానుకి చాలా ఇష్టం. తన ఆటపాటలన్నీ ఆనాటి నుండి ఆ గుర్రంతోనే. అలా ఒకరోజు గుర్రంతో ఆడి ఆడి అలిసి నిద్రపోయాడు. నిద్రలో భానుకి ఒకకల వచ్చింది. ఆ కలలో గుర్రం కి ప్రాణం వచ్చింది. గుర్రంతో కలిసి భాను ఎప్పుటిలాగే ఆడుకుంటూ చంద్రుని చూశాడు. అప్పుడు భాను గుర్రంతో చంద్రుడు అంటే తనకి చాలా ఇష్టమని చెప్పాడు. అయితే గుర్రం భానుని చంద్రుడి వద్దకు తీసుకెళ్తానని చెప్పింది. అలా వారిద్దరూ కలిసి చంద్రుడి దగ్గరికి వెళ్ళారు. అక్కడ భాను తన అమ్మ పాడే 'చందమామ రావే జాబల్లి రావే' పాటలో ఉండే వింతలు, విశేషాలు అన్నీ చూసాడు. ఆకాశంలో మిలమిల మెలిసే నక్షత్రాలు, చల్లని వెన్నెల అన్నీ ఎంతో ఆశ్చర్యంగా వున్నాయి. భానుకి చాలా సంతోషంగా అనిపించింది. అలా చాలాసేపటి తరువాత గుర్రము, భాను తిరిగి ఇంటికి వచ్చారు. ఆనందంతో ఉక్కిరిబిక్కిరి అవుతూ కళ్ళు తెరిచి చూశాడు. తను మంచం మీద ఉండడం, ఇంకా చీకటిగా ఉండటం గమనించి ఓహో!! ఇది కల? అని ఆశ్చర్యపోయాడు. కానీ భానుకి ఆ కల ఎంతో నచ్చింది. ఆ కలని మళ్ళీ మళ్ళీ గుర్తు చేసుకున్నాడు. పెద్దయిన తర్వాత తను కచ్చితంగా సైంటిస్ట్ అయి చంద్రుడి మీదకి వెళ్ళాలని, అక్కడ ఏముందో చూడాలని నిశ్చయించుకున్నాడు. ఆ తర్వాత తను సంతోషంగా నిద్రలోకి జారుకున్నాడు.

On the occasion of the 18th Annual day, i would like to convey my best wishes to the patrons and faculty & staff for their dedication and valuable contribution to bring up the students with all round development. The atmosphere was lively, modest and all inclusive, students were very involved and reminded me of my school days. I am sure whatever profession these students pursue in their career, they will be the most wonderful humans.

A positive aura is created for few institutions which are built with very strong energetic foundations coupled up with very strong visions. One such institute in the remote corner of AP, Macherla founded and established by legendry visionary Sri Laxmi Prasad garu is the Sai Educational Society. His inner strengths and beliefs made him take a decision to offer free education to lower strata of the society with modern methods of education and in parallel not losing basic Indian culture and values. He transformed his vision into a reality and made all of us very proud.

Sai Education society – a benchmark in school education, where the students not only learn education but are also taught values, Vedas, art in different forms, Indian culture, sports and above all character. All these with devotion

The annual day function of the school reflects its soul with character. Anyone who visits on that day can witness Sai Educational Society in full blossom and go back to one's school days and feel why we missed studying in this divine space.

It is a blessing to see the current management continuing with the same set of principles and imbibe them into future generations. We need such schools, and we need to support them for a better future.

Satya Sai educational society stands as a testimony to reflect what can transpire when Passions and Dreams get together along with a desire for service. This society is doing such great yeoman service to the families and children around macherla by not only providing free education but also instilling moral values, vedas, and also provide extracurricular activities, such as sports, music, art, and drama, to nurture the talents and interests of the students

A journey started with such great vision by Sri Nimmagadda Lakshmi Prasad who put his heart and energy not only in establishing the school but ensuring that the foundations are strong. Sri Satya Sai Vidya Vihar school continues to prove that education is a right, not a privilege, and that everyone deserves a chance to learn and grow.

Though Sri Nimmagadda Lakshmi Prasad is no longer around he has left a lasting legacy and impression in the school and the town of macherla. The current torch bearers of the society are leaving no stone unturned in ensuring that the school continues to be a beacon of hope for the people of Macherla.

I had the proud privilege of visiting the school last year. I was also very much impressed with the dedication and commitment of each and every staff member in ensuring that the premises not only remains as a simple school, but a temple of free quality education. I observed that it is a family, where everyone cares for each other, supports each other and celebrate each other's achievements

My sincere appreciations to the entire management and teaching staff of the school and best wishes to the children of the school.

Alumni Meet...

Our First Alumni Reunion was held on 18th Feb 2024

Very happy to be a part of this very first alumni meet at SSSVV.

Reflecting on our time at SSSVV and sharing memories with fellow alumni along with my teachers was the highlight of the event for me

I'm thrilled to see the new skill development program introduced at our first alumni meet. It's inspiring to see our management not only fostering connections among alumni but also actively supporting those who are seeking employment opportunities.

This initiative truly helpful for the students who are seeking for employment as well as to the students who want to increase their skills in both technical and non technical aspects.

I'm eagerly looking forward to future alumni meets and the opportunity to continue strengthening our bonds as a great alumni strength of SSSVV Macherla.

Best regards,

"Yesterday at Sri Sathya Sai Vidya Vihar, Macherla - a memorable experience on it's 18th Anniversary celebrations

There are few educational institutions one can think of these days - offering free education from LKG to X grade-exclusively to students coming from economically backward strata of our society irrespective of their religion, caste, community ... moreover a value based education coupled with modern methods of teaching embedded in Indian culture & heritage emphasizing on 'character building' as envisaged by Bhagawan Sri Sathya Sai Baba.

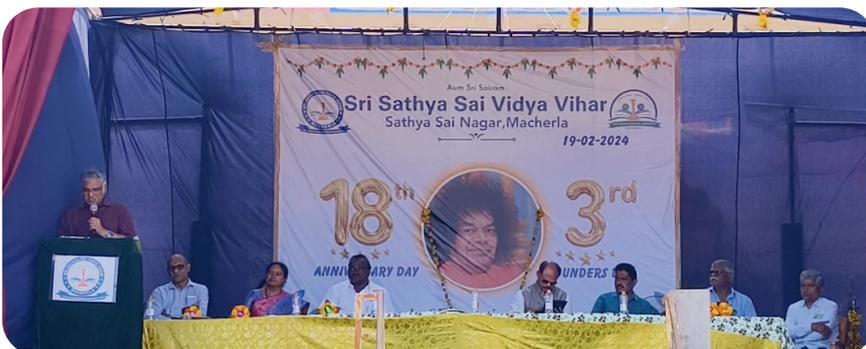

The Sai Educational Society today comprises of the Sri Sathya Sai Vidya Vihar , a Primary Health Centre & a Skill Development Centre - a holistic approach to Education, Health & Skill Development. Yesterday was also the 3rd Founder's day & Birthday of the Visionary Guiding force who established the Society " Late Nimmagadda Laxmi Prasad Garu".

The cultural performances by the students was amazing as much as their excellent academic track record. Interaction with some of the students proved to be a truly touching and humbling experience for me. Indeed, I felt Privileged & honored to have been invited as the Chief Guest on this wonderful occasion. ♥"
